(Iain Evans 85<sup>th</sup> Entry)

Iain recalls that Gordon was in 2 Wing and graduated with the 85<sup>th</sup> Entry. Gordon left the RAF around 1977 and did two tours in Saudi Arabia, then returned to Swaffam where he was a postman for four years of so before his untimely death from skin cancer, in about 1987. He was single at the time, having divorced his wife some years previous. Iain was the best man at Gordon's wedding.
